Dedication

We the members of the Annual Staff of Primero High School wish to dedicate this yearbook to our community confronted by a depressing situation.

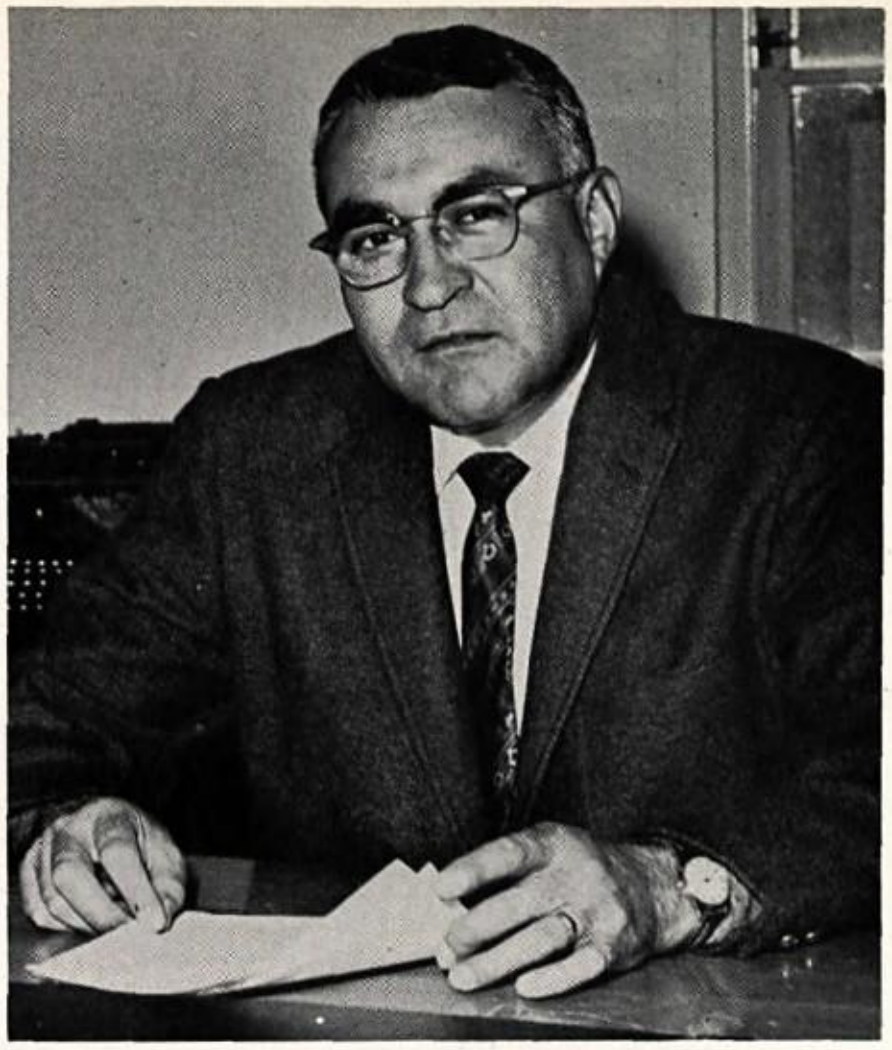
Several years past we had the misfortune of losing our wonderful high school building by fire. Since then we have been holding classes in the old Primero High building and the environment has been very detrimental to school spirit. During this period many feel our spirit has hit its lowest ebb.

To add to this loss of spirit the people of our community were struck at the very source of their subsistence by the abandonment of the Valdez Frederick Coal Mine. A large number of families have left our community to find a means of earning a living elsewhere as a result our enrollment has dropped considerably.

One bright ray of hope is appearing rapidly in the form of our beautiful new school building now under construction. The Seniors of "62" hope to be the first class to graduate from this building.

We hope many more new rays of hope will appear, which will help everyone in our courageous community.

MR. T. ESPINOZA, Principal



MR. L. DEHERRERA, Superintendent

We wish to express our thanks to these two important educational gentlemen, who have helped to make our education possible.

Annual Staff

Your school days are something to be remembered. In years to come, those memories will bring, thoughts of old friends, classmates and teachers; of text books opened and closed; of athletic contests won and lost; and most of all, of ideas cultivated and of lasting friendships formed. If this yearbook, in years to come, finds you referring back to its contents and smiling, then, and only then, will its true worth be appreciated.

My congratulations to the Bulldog staff for having accepted a tremendous challenge and for having completed that challenge to bring this fine annual to the students and faculty of Primero Reorganized School District Number Two. To catch an eventful year in the lives of so many people is a Herculean task, but you have successfully accomplished your task of capturing the events and spirit of school life.
